

Start Taking Payments with One Swipe

The GivePlus Swipe mobile card reader is the quick and easy way to accept one-time payments or gifts.

Whether you're running a bake sale or selling tickets to an event, give your members and guests the flexibility to pay with the swipe of a card.

- Download the free app, plug the card reader into your mobile device and you are ready to start collecting payments
- Compatible with Apple and Android devices
- Our encrypted card reader has been designed specifically for faith-based organizations

How easy is it to set up GivePlus Swipe?

You'll be up and running with your Swipe in a matter of minutes. Simply plug the card reader into the audio jack of your tablet or smartphone, download the Mobile Access app, log in to the app, and start taking debit and credit payments.

What payment methods are accepted via GivePlus Swipe?

GivePlus Swipe supports payments from all major debit and credit cards.

“I recommend GivePlus to any church that is exploring electronic giving”
